Our 2021-2031 Big Goal

Invest in the Dreams of Half a Million Women and Girls through Access to Education

Together, we are preparing our organization for our 2021-2031 Big Goal: *Invest in the dreams of half a million women and girls through access to education*. This has involved multiple opportunities for region, club and individual member engagement in building our 2021-2031 Big Goal and defining strategies to ensure its success.

Will your club [Take One Step \(/for-clubs-and-members/federation-information/sias-big-goal/take-one-step.html\)](#) to support our Big Goal of Increased Collective Impact?

Learn more about our [current Big Goal \(/for-clubs-and-members/federation-information/sias-big-goal/2012-2021-big-goal.html\)](#) of Increased Collective Impact.

Communicating Your Change

As we prepare to substantially increase the number of women and girls we serve through the Dream Programs, communicating with our community partners is a critical step. Perhaps your club has participated in [Working as One](https://www.soroptimist.org/for-clubs-and-members/federation-information/sias-big-goal/working-as-one.html) (<https://www.soroptimist.org/for-clubs-and-members/federation-information/sias-big-goal/working-as-one.html>), has used the [Club Planning Tool](https://www.soroptimist.org/for-clubs-and-members/federation-information/sias-big-goal/working-as-one.html) (<https://www.soroptimist.org/for-clubs-and-members/federation-information/sias-big-goal/working-as-one.html>) and has decided to make some changes in your club's focus.

Perhaps your club has decided to stop supporting a local organization that you have supported for years, and want to make sure they are prepared and understand why you are making this change. Use this communication packet as an aid in communicating these difficult, but necessary transitions in your club's direction.

2018 Convention Exercise

During our meeting in Yokohama, Japan, we used a SOAR model to focus on our strengths, opportunities, aspirations and results. Our aspiration is our next Big Goal: Invest in the Dreams of Half a Million Women and Girls Through Access To Education. Small groups focused on the opportunities and strengths of SIA could capitalize on to achieve our next Big Goal. What do we do well that, if we did more, we could have greater impact through our Dream Programs? Nearly 2,000 members participated in the exercise.
